## Get In The Game: Angry with God?!?

---

1. What thoughts and perspectives do you take away from Dave's update on Russia? What prayer or other response does this prompt in you?
2. What factors, events put us in a place where we are more prone to be angry with God? Explain. What kinds of dangers, problems do we lean toward when we are in that mode? How do you know this is true?
3. In Eve's response to God and dialogue with the Serpent in Genesis 3: 1- 9, what does she begin to think about God? What strategies for coping and living right does she seem to choose (vv. 2- 3)? Why does this become dangerous for her? For us?
4. How might ***anticipating the reality*** of feeling unfairly treated by God, blaming God help us? If "letting" God be near, choosing deep fellowship with Him, helps in these times – how do we do that? How can we support & drive each other toward a right response to crisis?
