

# LIFE GROUP QUESTIONS:

## God's In It, Are You?

---

1. What do you think are the most common impediments or “deal breakers” that trip us up when we want to live evangelistically. (What prevents us from intersecting with our friends at their “domino points”?)
2. Jesus clarifies how He lives and ministers as an example to us in Mark 2: 15-17. What strikes you about this dialogue with the religious leaders? What implications do you see in this for your relationships at present?
3. What did God seem to be stirring in your understanding and in your spirit as we prayed for the Holy Spirit’s power for ministry? What assurances does God give us about this kind of faith- filled prayer? How do Luke 11: 11- 13; Galatians 3: 1- 5; Ephesians 5: 17- 20 help?
4. What did you hear most clearly in the teaching time today? How would you explain this to a friend?
