

LIFE GROUP QUESTIONS:

Over Nature

1. Take a moment to read through all of Matthew 8 & 9. If we titled these chapters “Forces & Dimensions over which Jesus has Authority”, what items would you list that Jesus stands “over” in these stories?
2. Place yourself in the storm situation with the frightened disciples in Matt 8: 23- 27 - what emotions and thoughts are coming to you in this violent storm? What kind of faith is Jesus challenging you/ us to in verse 26?
3. What are the “no faith” zones we are prone to let exist in our lives? Which of those “dangerously familiar” places is part of your experience lately? Explain. What can be done about this?
4. How do we create “space” for Jesus authority in our lives? Do you have a specific “1st step” in this? How can we support each other in this important process?
